

SINTX Technologies to Present at the H.C. Wainwright 28th Annual Global Investment Conference

September 8, 2026

SALT LAKE CITY, Utah, Sept. 08, 2026 (GLOBE NEWSWIRE) -- SINTX Technologies, Inc. (NASDAQ: SINT) ("SINTX" or the "Company"), an advanced ceramics and biomaterials company commercializing proprietary silicon nitride technologies across medical and other high-value applications, today announced that it will participate in the 28th Annual H.C. Wainwright Global Investment Conference, taking place September 14–16, 2026, at the Lotte New York Palace Hotel in New York City.

Gregg Honigblum, Chief Investment Officer, and Ryan Elmore, President of SINTX, will deliver a company presentation and participate in one-on-one meetings with investors throughout the conference. The presentation will highlight SINTX's progress in commercializing its FDA-cleared SINAPTIC® Foot & Ankle Implant System, expanding adoption of its proprietary silicon nitride technology, growing its contract manufacturing activities, and advancing strategic initiatives designed to broaden the Company's commercial opportunities and support long-term shareholder value.

Event Details
